A Google Chrome App, or commonly just Chrome App, is a certain type of (non-standardized) web application that runs on the Google Chrome web browser.Chrome apps can be obtained from the Chrome Web Store where apps, extensions, and themes can be installed or bought.There are two types of apps, hosted and packaged, which have different locations of their executable and are ... Apps that work like regular websites (For example, Gmail or Google Calendar). Apps that work like software programs on your desktop, relying on certain features of Chrome (For example, Google Keep). Here are some benefits of using apps: Apps install quickly, without restarting your computer or browser. Google Chrome is een snelle, gebruiksvriendelijke en veilige webbrowser. Chrome is speciaal ontworpen voor Android en biedt gepersonaliseerde nieuwsartikelen, snelle links naar je favoriete sites, downloads en ingebouwde functionaliteit van Google Zoeke en Google Translate. Open the Chrome Web Store. At the top right, click Settings My Extensions & Apps. Click the app, extension, or theme. In the box that appears, at the top, click Support. Fill out the "Tell the Developer" form, or click the link to go to the developer's website. Download the new Google Chrome for your iPhone and iPad. Now more simple, secure and faster than ever. Get the best of Google Search, and easily sync your bookmarks and passwords with Chrome on your laptop. Download the fast, secure browser recommended by Google. NEW - You can now set Chrome as you... Chrome Apps provided Chrome-specific APIs on top of standardized web technologies to enable you to create experiences that had more access to the underlying operating system. They were deprecated in 2020. Support for all platforms will end in June 2022. Google Chrome is a fast, easy to use, and secure web browser. Designed for Android, Chrome brings you personalized news articles, quick links to your favorite sites, downloads, and Google Search and Google Translate built-in. Download now to enjoy the same Chrome web browser experience you love across all your devices.
